CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records are final.

SPECIAL INSTRUCTIONS.

New Bidders Will Kindly Read Our Sale Terms. Coins not Sold on Approval and must be kept and paid for promptly. Persons unknown to us must send a reference before submitting bids, or with the bids. A remittance of 25% of the amount of the bids will ensure getting bids executed for those unknown to us. Send your bids to us and not to agents, and in this way ensure your bids being properly executed. We have no special favorites and will act in a neutral way with all bidders. **Write Mr. Elder for Estimate on any Lot.** Bids by the piece, except stamps:—for instance if a lot contains 10 pieces and you wish to pay \$10 for it, your bid is \$1. Don't bid by the lot. We will not be responsible for errors in bidding. Recheck your bids before sending same to us. No allowances for returns will be made after 30 days as we have to remit to all owners of lots inside of 30 days. This rule applies to every lot in the sale. Kindly go over this very interesting lot of listed material and be sure and send us a generous number of bids. Only one more sale after this until the Fall Season of 1935, so make the most of these fine sales, which are the best held in the country today and the most varied lots of material, and the longest sales. Let us have your bids for this most important sale.

Don't Forget The Priced Catalog of This Sale, Price Only 60 Cents.

Keep posted on what lots sell for today, keep up to the minute. Remit by postage stamps or money order for the priced catalog.
